

July 26, 2022

Dear Conroe ISD Parent/Guardian:

As we prepare for the start of In-Person Instruction for the 2022-23 school year, please allow me to briefly address some of the most frequently asked questions regarding school bus transportation.

How do I know if my child is eligible to ride the bus? Students who live more than one mile from school and students who live near identified hazardous roads, such as a highway, are eligible for transportation. When you register your child for transportation, the system will automatically assign a stop unless the physical home address is outside the walk-to-stop parameters. If you are able to transport your child and do not need bus service, please visit <https://www.conroeisd.net/transportation/>, select **Transportor**

How do I register my child for transportation? Students who were registered for transportation last year are automatically registered to ride the bus unless there was a change in their physical home address or they now attend a school that is within one mile. Students who are new to the District or new bus riders must register in order to be assigned to a bus. You may register your child for transportation services or look up bus stop information by visiting our website at www.conroeisd.net/department/transportation. Click on the [Transportation](#) link.

On the Transportation page, follow the instructions in the section for the registration process for a bus to be scheduled.

Please allow 48 hours after completing

How do I know which bus my child will ride and the location of the stop? After you register your child for school and bus service, please go to the Transportation Portal link at routeinfo.conroeisd.net to find the latest route information. We will also send an email and phone message about logging into the Transportation Portal link to find the most up-to-date route information. Please note that for safety reasons stops are not placed on dead-end streets, cul-de-sacs, or dirt roads. For walk-to-stop distances and information about stop locations, please visit www.conroeisd.net/department/transportation/. Remember, all pre-kindergarten and kindergarten students must be met at the bus stop by a parent, guardian, or designated individual named on the Transportation Supervision Waiver Form. For concerns regarding stops, please visit the Transportation Portal or call 936-709-7940. If you are not able to reach us, please leave a message. You can also email us through the contact form located on our website.
